Subject: RE: Hold: Bristol Bay Letter Check In

Andrew and Dan

Following up on a quick check in with Andrew- the Bristol Bay team is drafting the letter, and received significant comments on aquatic resources from the water program. Molly and Patti met with Amy to discuss the comments within the context of the NEPA FEIS. They're going to send the three of us the draft letter by 1:30-2:00 today. We'd like to have a check in amongst the two programs this afternoon before the letter goes out across programs.

Dan- I know Cami is out. Let me know if you want me to forward this to Amy as well.

Thanks
